

A BETTER, BOLDER BANKING EXPERIENCE

2025 TECHNOLOGY SYSTEMS UPGRADE SCHEDULE

Unity One is working hard to bring you a better banking experience in 2025. The technology systems upgrade that will take place later this year will provide enhanced product offerings, make it easy to access a more robust online and mobile platform and mobile app experience, and allow Unity One to serve you more efficiently.

Below is a schedule of the systems upgrade weekend that is set to take place **Friday, August 29 through Tuesday, September 2**. This schedule outlines what will be available or unavailable, when it will take place, and when you can expect things to return to normal availability.

	Friday, August 29	Saturday, August 30	Sunday, August 31	Monday, September 1	Tuesday, September 2

TECHNOLOGY SYSTEMS UPGRADE CHECKLIST

Stay informed about the Unity One technology systems upgrade! You may receive informational emails from Unity One regarding the upgrade in the coming months.

Visit [UNITYONE.ORG/UPGRADE](https://unityone.org/upgrade) for the most current information. Follow our upgrade checklist below to make sure you're prepared.

- Verify that Unity One has current contact information for you on file. You can check this through online banking.
- Check in on the upgrade at [UNITYONE.ORG/UPGRADE](https://unityone.org/upgrade) at regular intervals. Make sure to check back right before the weekend of the upgrade.
- Share information about the upgrade with joint account owners who may not receive the emails and mailings.
- Schedule any upcoming bill payments before Friday, August 29.
- Finish any loan applications, new account openings, or transfers before Friday, August 29.
- Take out enough cash to have on hand before the upgrade weekend to avoid branch and ATM unavailability.
- Plan to not make any large purchases with your Unity One debit or credit cards during the weekend of the upgrade.
- If you need to take out cash over the upgrade weekend, note your balances before Friday, August 29, to ensure your account does not become overdrawn.
