

## ENROLL IN TEXT BANKING

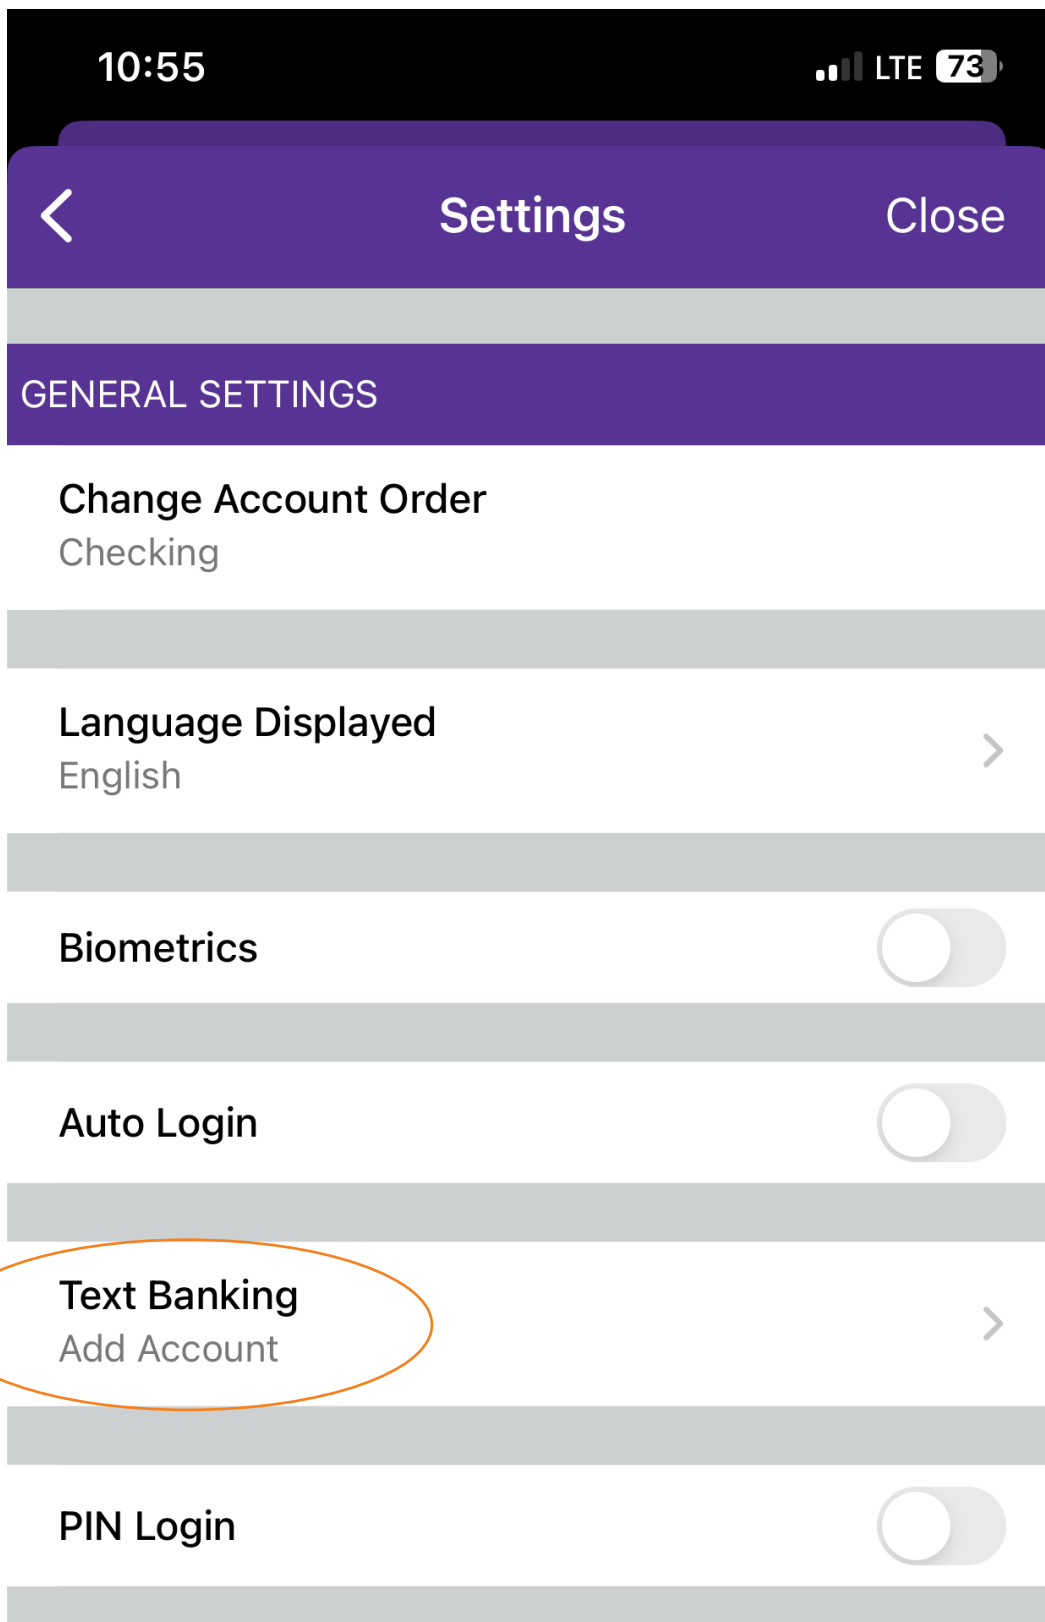

1. Once you've successfully logged into your Unity One mobile app, tap on the profile icon located in the upper right corner.

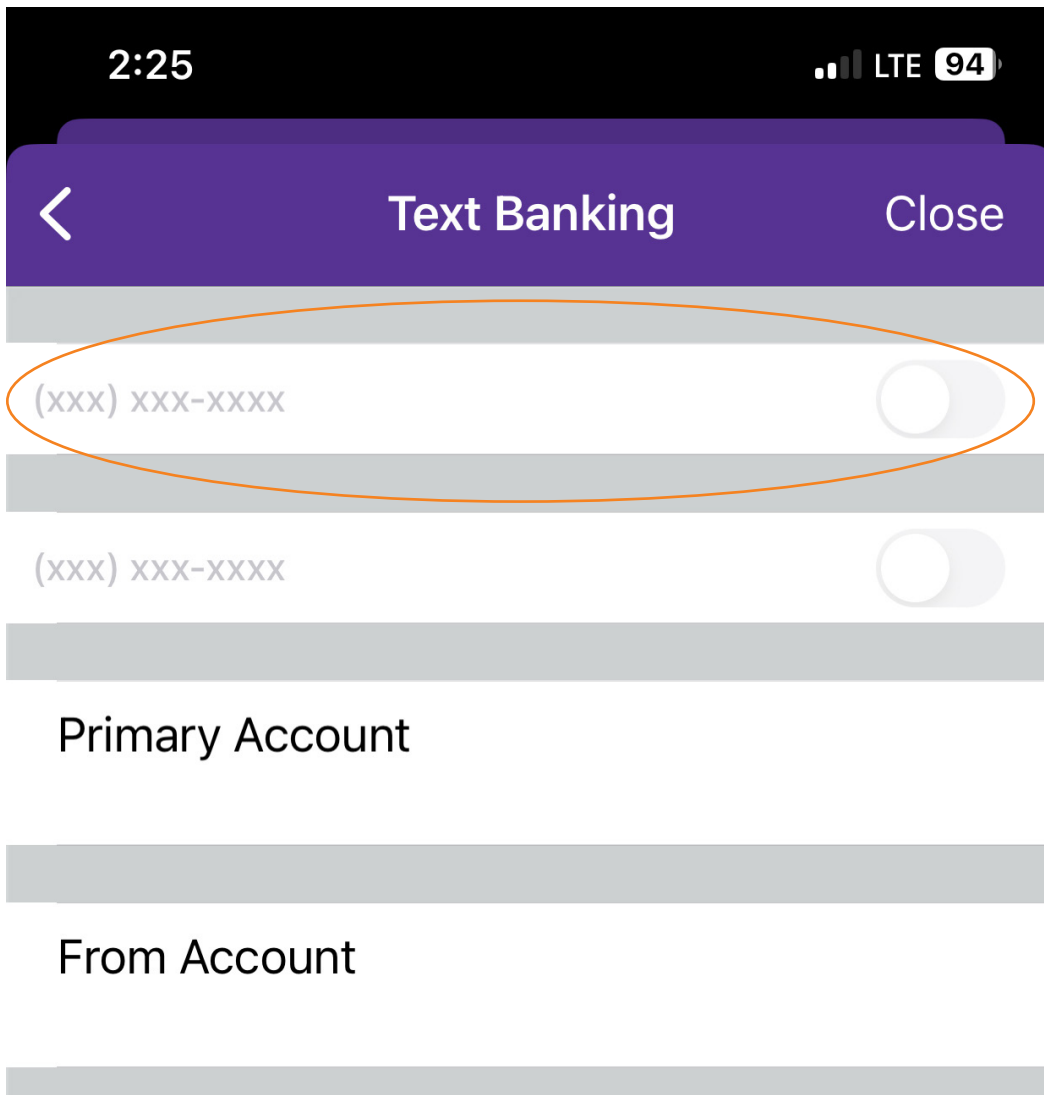

2. Scroll down to find the "Personalize" menu and select "Settings."

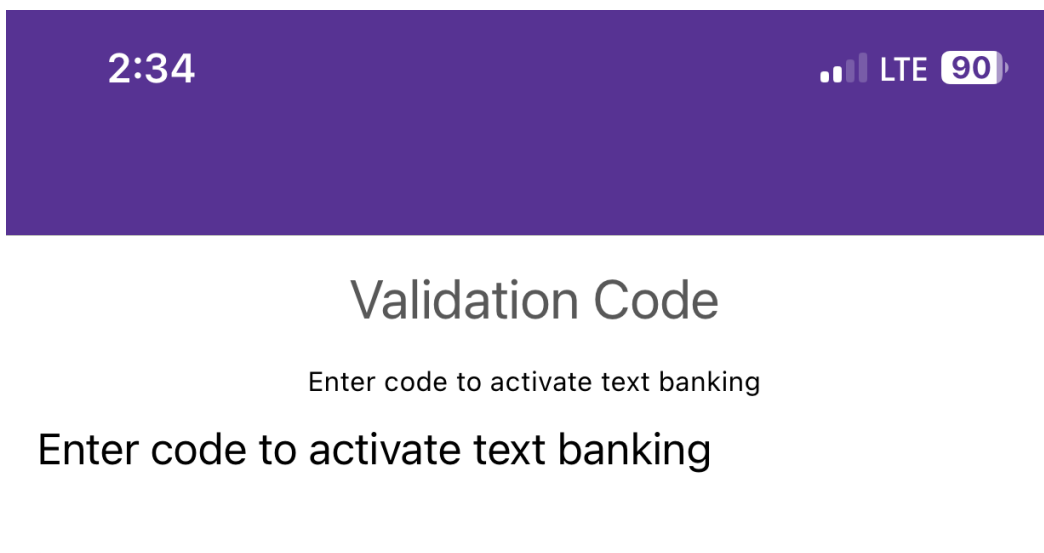

3. Within the "General Settings" menu, locate and tap on "Text Banking."

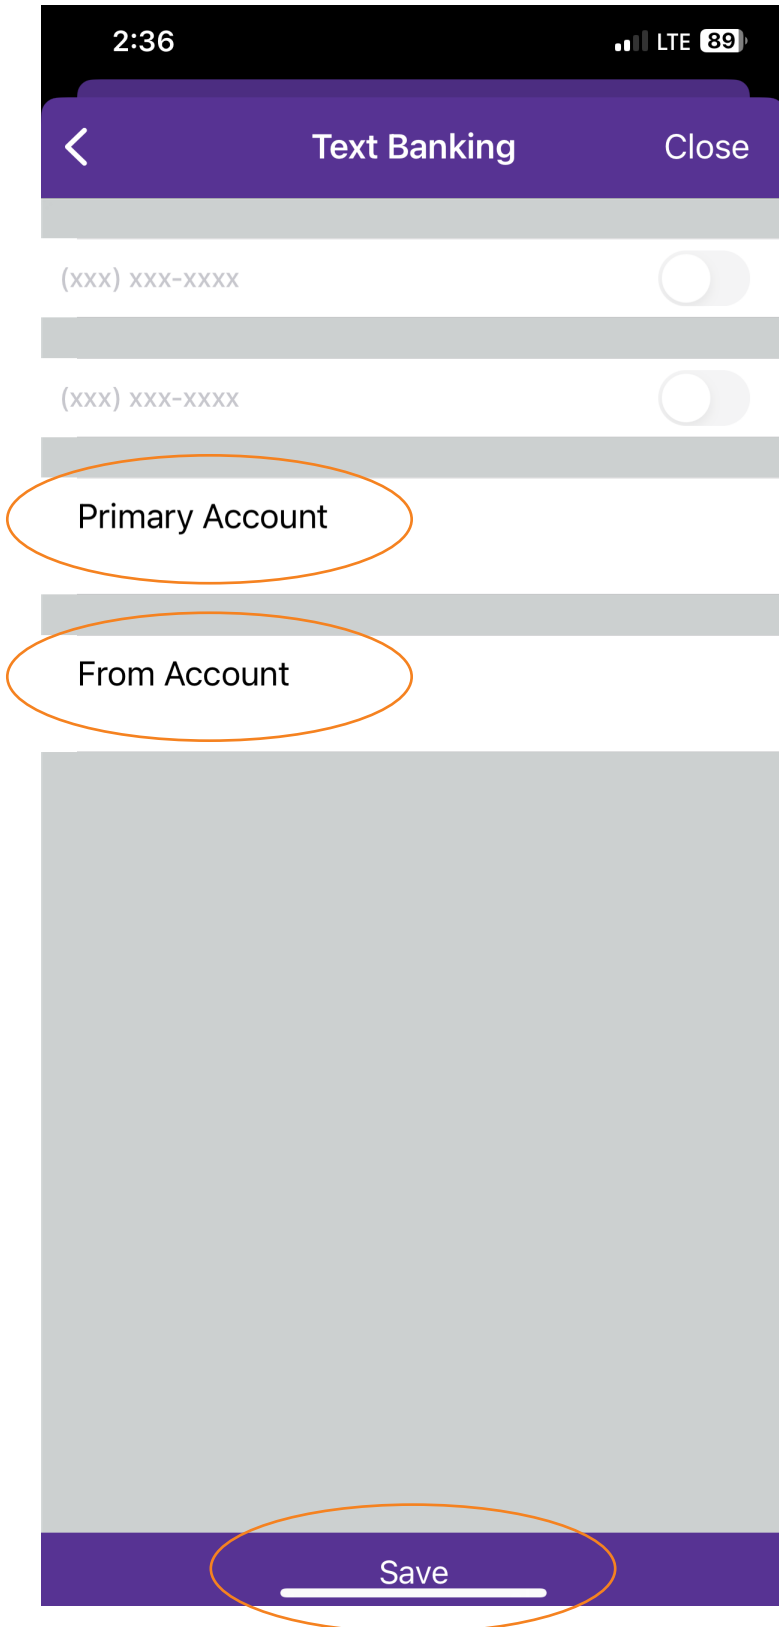

4. Enter the phone number you wish to use for text banking in the designated top phone number field, ensuring it is enabled.

5. After receiving the validation code through SMS, input the code and click on "OK."

6. If desired, select an optional "Primary Account" and "From Account" for use when executing transfers. Tap on "Save" to finalize your preferences. **You're now enrolled in Text Banking.**

8. To inquire about your account using text banking, send any of the following codes to '59217': Use 'BAL' for all balances, 'HIST' for transaction history, or 'TRAN' followed by the dollar amount (e.g., 'TRAN \$100') to transfer funds.
